Helpful tips:

I stitched my sign to a scrap of fabric. This allowed me to put it in a hoop to do my back stitched letters.

Taper the length of the fly stitch to make your feather.
I must admit I watched a YouTube video to learn the Bullion stitch to make the flowers. Add a few Lazy Daisy stitches for the leaves.

Draw a stitching line to follow while doing your chain stitch around the sign.

Add a pom pom made from the green & purple threads to add to the tip of the hat. (optional)
